

**PVC Trims for Fiber Cement Board**

**PRODUCT INFORMATION**

Plastic Components' PVC accessories for fiber cement board deliver a cleaner job and a better finish!

We manufacture a variety of styles to fit 5/16" and 1/2" cement board systems. These rustproof PVC trims protect the edge of the board and manage moisture infiltration.

- Made from high-impact resistant, lead-free PVC
- Conforms with ASTM standards D1784 and C1063; and Canadian Code requirements
- Third party tested to meet ASTM D4216
