

## Fine Finish Casing Bead Submittal Sheet

STOCK NO.	LENGTH	PCS. PER BOX
SX-187-16	10'	75

**Description:** This reinforced Fine Finish Casing Bead is designed for thin finishes on EIFS systems, making it a smart choice for surface-mounted perimeter details or starter strips. The 1 5/8" perforated flange delivers strong bonding to the base coat, while the 3/16" lip creates a clean, consistent stop. Built for EIFS/DEFS applications where clean lines and dependable performance matter.

**Advantages:** Made from exterior grade PVC. Provides a high impact resistant, rust-proof termination corner.

**Applicable Standards:** Rigid exterior grade PVC products made by Trim-Tex meet ASTM specifications C926, C1063, C1780, C1861, D1784 and D4216.

**Installation:** Trim-Tex recommends following established acceptable industry standard installation methods. All butt joints, intersections, and ends should be caulked at the time of installation using elastomeric sealant. When painting Trim-Tex Exterior products, please refer to our painting resources to ensure proper performance and prevent product defects such as warping, oil canning, and buckling.
