PLASTI-GRIP®

PBLP2 / PBLP2 PRONG WASHER

WHY PRE-ASSEMBLE WHEN YOU CAN PRE-SPOT?

PRONG
PBLP2

TRADITIONAL
PBLP2

PLASTI-GRIP® PBLP2 WASHER

2" dia. washer with Grip-Deck® screws attaches EPS or XPS foam in polymer based (PB) EIFS assemblies.

PLASTI-GRIP® PBLP2 PRONG WASHER

Labor-saving prong allows **on-the-wall** screw assembly.

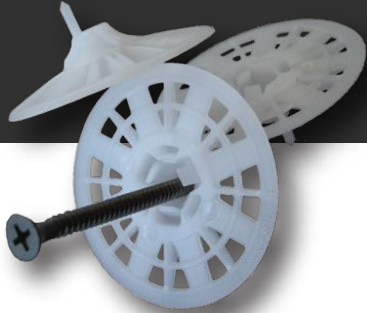

THERMAL BREAK DESIGN

Screw head is recessed from basecoat.

PLASTI-GRIP®

PBLP2 / PBLP2 PRONG WASHER

- EIFS system manufacturer approved
- 2" diameter washer with keyholes for basecoat bonding
- No hand assembly required = **labor** and **cost savings**
- Prong enables **on-the-wall** screw assembly
- Recommended for use with Grip-Deck® screws
- Available with self-drilling and hilo thread screws
- Made in USA
