ST-3	3"	10'	10
ST-35	3 1/2"	10'	10
ST-4	4"	10'	10

Description: Get strong support and a sharp finish with the Starter TRAC™ (ST Series). This versatile piece can be used as a Starter TRAC or casing bead, with bonding grooves and built-in perforations for a tight hold on both the base coat and foam. Great for exposed edges, it features a wide nailing flange for extra strength where you need it most.

Advantages: Made from exterior grade PVC. Provides a high impact resistant, rust-proof termination corner.

Applicable Standards: Rigid exterior grade PVC products made by Trim-Tex meet ASTM specifications C926, C1063, C1780, C1861, D1784 and D4216.

Installation: Trim-Tex recommends following established acceptable industry standard installation methods. All butt joints, intersections, and ends should be caulked at the time of installation using elastomeric sealant. When painting Trim-Tex Exterior products, please refer to our painting resources to ensure proper performance and prevent product defects such as warping, oil canning, and buckling.
