

Surface-Mounted "L" Bead Submittal Sheet

STOCK NO.	A SIZE	LENGTH	PCS. PER BOX
2221-38	3/8"	10'	50
2221-50	1/2"	10'	50
2221-58	5/8"	10'	50
2221-1	1"	10'	50

Description: The Surface-Mounted "L" Bead is a great choice for windows, doors or anywhere you need a clean, finished edge. Its extra-wide flange helps cover trimming gaps while bonding grooves and perforations allow for a secure hold. A built-in stop ensures your base and finish layers stay smooth and consistent.

Advantages: Made from exterior grade PVC. Provides a high impact resistant, rust-proof termination corner.

Applicable Standards: Rigid exterior grade PVC products made by Trim-Tex meet ASTM specifications C926, C1063, C1780, C1861, D1784 and D4216.

Installation: Trim-Tex recommends following established acceptable industry standard installation methods. All butt joints, intersections, and ends should be caulked at the time of installation using elastomeric sealant. When painting Trim-Tex Exterior products, please refer to our painting resources to ensure proper performance and prevent product defects such as warping, oil canning, and buckling.
